

**REMARKS**

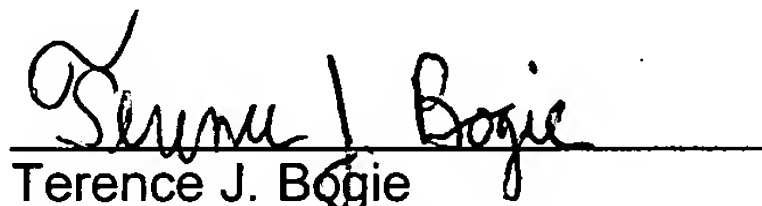

The Notice of Non-Compliant Amendment indicated that the amendment document filed on December 16, 2004 is considered non-compliant because it failed to meet the requirements of 37 C.F.R. §1.121. Specifically, the Notice contended that the amendment filed on December 16, 2004 did not present a complete listing of the claims because claims 1 – 60 were not listed. Applicants respectfully submit herein a complete listing of the claims in which claims 1 -60 are listed.

The presently submitted amendment is believed to be fully compliant with 37 C.F.R. §1.121. Accordingly, applicants respectfully request that the above amendments be entered.

The Commissioner is hereby authorized to charge any fees that may be required, including any fees under 37 C.F.R. §§1.16 and 1.17, for the filing of this paper to Deposit Account No. 19-3880.

If, in the opinion of the Examiner, a telephone conference with the undersigned would facilitate prosecution of this patent application, the Examiner's call would be welcomed.

Respectfully submitted,
